Dear Chairman Baucus and Ranking Member Hatch,

The 51 undersigned members of the Nursing Community, a forum comprised of national professional nursing associations that builds consensus and advocates on a wide spectrum of healthcare and nursing issues, would like to express our overwhelming support of Marilyn Tavenner, RN, MHA, for the position of Administrator of the Centers for Medicare & Medicaid Services (CMS). With great respect for Ms. Tavenner's exceptional qualifications, we are enthusiastic to see her nomination to this federal leadership role.

Collectively, the Nursing Community represents nearly one million Registered Nurses, Advanced Practice Registered Nurses, nurse executives, nursing students, nursing faculty, and nurse researchers. Our organizations are committed to improving the health and health care of our nation while working with federal leadership to achieve these goals. We believe Ms. Tavenner embodies the qualities needed to be a successful leader of CMS. As a former practicing nurse and hospital administrator, Ms. Tavenner understands the scope of our complex health care delivery system. Her extensive experience and broad knowledge base gained from serving as former Virginia Secretary of Health and Human Resources as well as Acting Administrator and Principal Deputy Administrator for CMS demonstrate her ability to serve as a catalyst for improving quality, safety, and cost-effectiveness at the point of care delivery.

The Nursing Community appreciates your consideration of Ms. Tavenner's nomination as Administrator of the Centers for Medicare & Medicaid Services. We believe strongly that Ms. Tavenner's expertise and merits will provide CMS with the leadership needed to guide our healthcare system during this time of great change. Please do not hesitate to contact Suzanne Miyamoto, at smiyamoto@aacn.nche.edu, or at 202-463-6930, ext. 247 if the Nursing Community can offer additional accolades for Ms. Tavenner, a remarkable voice for healthcare quality and redesign.
