

May 7, 2013

Representative Lois Capps
United States House of Representatives
2231 Rayburn House Office Building
Washington, D.C. 20515

Dear Representative Capps:

On behalf of the 42 undersigned organizations representing the Nursing Community, we would like to thank you for being an original cosponsor of the resolution recognizing National Nurses Week May 6 through May 12, 2013. The Nursing Community advocates on a broad spectrum of issues to promote America's health through nursing care. Collectively, our organizations represent nearly one million Registered Nurses, Advanced Practice Registered Nurses (including certified nurse-midwives, nurse practitioners, clinical nurse specialists, and certified registered nurse anesthetists), nurse executives, nursing students, nursing faculty, and nurse researchers.

This resolution emphasizes the significant contributions nurses make to America's healthcare system. Registered nurses provide care across the continuum, from prevention education and chronic disease management to life-saving interventions. Nurses are at the front lines of care in all settings and during our nation's most devastating crises. Your support for the resolution calls attention to the profession's dedication and integrity to upholding only the highest standard of care. The Nursing Community sincerely appreciates your recognition of these contributions.

Again, we thank you for your continued commitment to America's nurses and for cosponsoring this resolution honoring National Nurses Week. If our organizations can be of any assistance, please contact the convener of the Nursing Community, Dr. Suzanne Miyamoto, at Smiyamoto@aacn.nche.edu or 202-463-6930, ext. 247.

Sincerely,

Academy of Medical-Surgical Nurses
