Fifty-six NCC member organizations signed onto a letter requesting the Senate pass the Title VIII Nursing Workforce Reauthorization Act this Congress. [Thank You Letters for Opioid Legislation](#)

October 11, 2018

Forty-seven organizations signed onto a letter thanking Congressional leaders, committees, and champions for their efforts to have Section 3201, *Allowing for more flexibility with respect to medication-assisted treatment for opioid use disorders*, in the final opioid package. This important provision provides permanent authorization for nurse practitioners and physician assistants to prescribe medication-assisted treatments (MATs), and a five-year authorization for the other three APRN roles, to help combat the opioid epidemic.
